About Us

Soor Al Biyriq L.L.C (سور البيارق ش.م.م) is an Omani limited liability company established in 2011 and registered in Karsha, Nizwa, Al Dakhiliyah Governorate, with its operating office in Ghala, Muscat. The company provides integrated solutions and support services to the oil & gas, industrial and construction sectors across the Sultanate of Oman.

Our core strength lies in safety and monitoring equipment – supply, installation, testing, servicing, rental, training and commissioning of gas detection systems, fire-fighting equipment, instrumentation, radiation monitoring and thermal imaging systems, SCBA and escape sets, and compressors – backed by calibration capability under ISO/IEC 17025:2017.

The company's registered business sectors include oil and gas, logistics services, building and construction contracting, industrial workshops, vehicle repair workshops and building materials trading. Supported by a qualified workforce, heavy equipment and a dedicated operations team, Soor Al Biyriq delivers reliable, high-quality and safe services, with a focus on safety, quality and responsive service to build long-term relationships with clients and partners.

Vision, Mission & Core Values

Vision

To be a trusted partner in Oman's oil & gas and industrial sectors, recognized for reliable service, quality, safety and long-term value.

Mission

To deliver safe, reliable and efficient solutions that meet our clients' operational needs through competent people, quality services and a commitment to continuous improvement.

Core Values

Integrity • Safety • Quality • Accountability • Reliability • Innovation. These values guide our decisions, our operations and the way we build lasting relationships with our clients and partners.

Services & Capabilities

Safety Equipment, Calibration & Testing

- Supply, installation, testing, servicing, rental, training and commissioning of gas detection systems and fire-fighting equipment.
- Calibration and recertification of gas detectors, instruments and testing equipment; calibration gases and regulators.
- Radiation monitoring, thermal imaging, purge monitoring, vibration monitoring and environmental monitoring equipment.
- SCBA and escape sets, breathing-air compressors, air quality equipment.
- Alcohol testing and breath analysis solutions, with calibration and testing services.
- Third-party inspection services.

Oilfield, Drilling & Industrial Supplies

- Drilling chemicals and drilling & oilfield equipment, valves and instrumentation.

- Spill control products, lockout-tagout products, cleaning solutions, solvents, sprays and epoxy.
- Lifting equipment, PPE, smoke and fire hoods, medical equipment and signage.

Construction, Fabrication & Workshops

- Fabrication and construction services; building and construction contracting.
- Industrial workshop services and vehicle repair workshop services.
- Tank cleaning services.

Equipment, Logistics & Manpower

- Heavy equipment supply and rental of commercial and professional machinery.
- Logistics services.
- Recruitment and manpower services.

Certifications & Approvals

Certificate	Issued by	Certificate No.	Valid until
ISO 9001:2015 – Quality Management System	Veritas Management System UK Ltd.	869VMSS080101	11-Oct-2029

Health, Safety & Environment (HSE) Policy

Soor Al Biyriq is committed to maintaining a strong safety culture and protecting our people, assets and the environment throughout our operations.

- All incidents, injuries and occupational illnesses are preventable.
- Risks associated with operational and high-risk activities are identified, assessed and effectively controlled.
- Safe working practices are a fundamental condition of our operations.

- Employees are provided with appropriate HSE awareness and training.
- Compliance with applicable HSE requirements is maintained across our activities.
- We are committed to preventing pollution, reducing waste and continually improving our environmental performance.

Our commitment: No harm to people, assets or the environment.

Defensive Driving Policy

To eliminate unnecessary risk on the road, we prohibit hand-held or hands-free phone use while operating any vehicle on company business, require a safe pull-over before any call is taken, and apply disciplinary action for non-compliance.

Quality Policy

Soor Al Biyriq is committed to delivering reliable, high-quality services that meet customer requirements and applicable statutory and regulatory standards.

- Understand and consistently meet our clients' requirements.
- Maintain effective quality management practices and continually improve our Quality Management System in accordance with ISO 9001:2015 and ISO/IEC 17025:2017.
- Provide appropriate training, resources and support to our employees.
- Deliver services safely, efficiently and on time.
- Build strong relationships with clients, suppliers and business partners.
- Analyze customer feedback and performance data to confirm quality objectives are met, conducting business in an ethical and professional manner.

Organization

Level	Position
Level 1	Chairman – Ibrahim Humaid Al Durey
Level 2	Managing Director – Zaid Humaid Al Durey
Level 3	Operations Manager – Charanjit Singh
Level 4	Sales & Procurement / HSE & Quality / Engineering / Accounts & Admin
Level 5	Site operations – service, calibration, mechanical, civil and transport teams

Principal Brands & Products Represented

Through its technical equipment supply channel, Soor Al Biyriq offers access to internationally recognized brands and product ranges serving the oil & gas, HSE and industrial sectors.

Category	Brands / Product range
Oil / Chemical Spill Control	ERNi, Lubetech
Gas & Radiation Detection	Crowcon, RAE, Honeywell, WatchGas
Calibration Gases	ERNi, Air Liquide, Calgaz
Cleaning & Drilling Chemicals	ERNi, Arrow Solutions
Drilling Equipment	BOP accumulators, tongs, swivel joints, manifolds, flanges & spools, control panels
Emergency Showers	ERNi Enware
Test & Measurement	Extech Instruments
Oil Handling	OilSafe
Safety Cabinets	Flammable, corrosive, paint, pesticide & Hazmat storage cabinets
Insulation Safety	Sofamel
Adhesives & Sealants	Weicon
Lockout-Tagout	Brady, Scafftag, Master Lock
Weld Purge Monitoring	Huntingdon Fusion Techniques (Agweld PurgEye)
Radiation Monitoring	Tracerco
Compressors & Breathing Air	Bauer Kompressoren, Mako
Material Handling	Lifting, jacking, winching, load restraint & height safety equipment
Fire Protection	Loyal
PPE & Medical	Head, hearing, eye, respiratory, hand & foot protection; FR apparel; clinic equipment, AEDs

Alcohol Testing & Breath Analysis Solutions

Breath Analyzers – AlcoScan, AlcoStop, AlcoZero, Dräger & iBlow breathalyzers and workplace screening stations.

- High-Speed iBlow 10 Screening Devices
- Fuel Cell Accuracy Breathalyzers
- Turnstile Gate Entry Screening Stations

We provide calibration & testing services for all types of alcohol testers in Oman.

Dual Laser Infrared Thermometer

- Non-Contact Temperature Measurement up to 2200°C
- Fast 100 ms Response Time
- Dual-Laser Targeting
- Type K Contact Temperature Input
- USB Interface for Data Transfer & Analysis

Spill Response & Control Solutions

Spill Control Products – solutions for containment and clean-up of oil, chemical and hazardous spills.

- Oil, Chemical & Universal Spill Kits
- Absorbent Pads, Rolls, Socks & Pillows
- Spill Pallets & Containment Berms
- Overpack Drums
- Oil & Chemical Spill Containment Solutions

Fire & Safety / Test & Measurement

Fire & Safety

- Fire Extinguishers
- Hose Reels & Cabinets
- Hydrants, Valves & Fire Pumps
- Fire Alarm & Suppression Systems
- Emergency & Exit Lighting

Test & Measurement

- Digital Multimeters & Clamp Meters
- Insulation Resistance Testers
- Electrical Testing & Measurement Equipment
- CAT IV 600V Safety Rating Compliance

Cleaning & Maintenance Solutions

Industrial cleaning and maintenance solutions for demanding industrial applications.

- Heavy-Duty Biodegradable Degreasers
- Industrial & Electrical Contact Cleaners
- Rust Removers & Scale Descalers
- Maintenance Sprays & Surface Treatment Products

Principal Brands & Products Represented

Through its technical equipment supply channel, Soor Al Biyriq offers access to a wide catalogue of internationally recognized brands and product ranges serving the oil & gas, HSE and industrial sectors.

Oil / Chemical Spill Control — ERNi, Lubetech

Spill Absorbent Pads, Booms, Granules, Socks, Oil Spill Response Kits (20 to 1000 litres), Drum Handling & Storage Equipment, IBC Storage, Safety Flooring, Drain Protection & Bio-Remediation, Fluid Handling, Spill Response Training, Spill / IBC Pallets.

Gas & Radiation Detection — Crowcon, RAE Systems, Honeywell, WatchGas

Hand-held, personal, transportable, wireless, fixed and software-based detection solutions, including Gas Pro PID, Gas Pro, Crowcon Clip, Detective+, Detective Wireless, Gasman, Tetra 3, I-Test & I-Test Manager, Triple Plus+; fixed detectors including X-Gard, X-safe, IREX, IRmax, TX Gard-IS+, TX-Gard Plus, Flam Gard Plus, Open Path Gas Detection and Flame Detectors; control panels including Gas Flag, Gas Master, Vortex, Vortex FP, Gas Monitor, Hydra 32 and Hydra 256; and Q-Rae, Ultra Rae 3000, Toxi-Rae, Multi Rae Lite, BW XT II, BW XL, BW H2S 24-Month and 36-Month cartridges. Calibration and recertification of gas detectors is also provided.

Calibration Gases — ERNi, Air Liquide, Calgaz

LEL, H2S, CO, O2/N2, SO2, NO, NH3, HCL, PH3, CL2 and NO2 calibration gases, available in different sizes and concentrations with regulators and compact carrying cases.

Respiratory & Fall Protection — North, Salisbury, Sperian, Fenzy

Complete range of SCBA & escape sets, cascade systems, Miller fall protection systems, first responder products, Junkin scoop stretchers and oxygen resuscitators.

Cleaning & Surface Treatment Chemicals — ERNi, Arrow Solutions

ERNi environmental, water-based, biodegradable, solvent-free multi-surface cleaner designed to clean and degrease onshore/offshore rigs and platforms, circulation tanks, beam pumps, tubulars, drilling equipment and BOPs, plus water-based hand wash and corrosion protection. Arrow Solutions industrial degreasers, solvents, lubricants, anti-spatter and anti-foam rig wash, surface treatments (rust removers and convertors, descalers), and skin-care products (barrier creams, hand cleansers, sanitizers).

Drilling & Production Chemicals — ERNi

Corrosion inhibitors, biocides & scavengers, lost circulation material, lubricants, spotting fluids, completion workover products, fluid loss control, oil-based mud system products, shale stabilizers, weighting materials and clay viscosifiers; cement additives (accelerators, defoamers and foamers, cement matrix intensifier, preflushes and spacers, extenders); formation control and friction reducers; gas control additives and retarders; stimulation chemicals (acidizing and fracturing chemicals); production chemicals (scale inhibitors, demulsifiers, anti-sludge agents, biocides, paraffin control / wax inhibitors); and refinery chemicals — including alcohol-based defoamer, bentonite, butanol, calcium bromide liquid, calcium chloride 89% prills, caustic soda flakes and prills, citric acid, diethanolamine, drilling detergent, gilsonite, guar gum, hematite, KCL, methanol, musol, soda ash (dense grade and light), sodium bicarbonate, sodium chloride, sodium bromide, toluene, tri-ethylene glycol and xanthan gum.

Drilling Equipment

BOP accumulator units, hydraulic tongs, swivel joints, hammer unions, ring joint gaskets, flanges & spools, manifolds, mud pump expandables, gate and butterfly valves, high-pressure test units, data headers, positive chokes, pup joints; API 16A double studded adapter flanges, clamp and loose connections; API 6A studded, adapter and spacer spools; bull plugs, valve removal plugs, BOP control units, diverter control panels, hydraulic power units, adapter & crossovers, clamps & hubs, remote control panels, steel hose assemblies, subsea equipment, plug and check valves, integral fittings, and tees & crosses.

Emergency Showers — ERNi Enware

Emergency deluge showers, combination showers, self-contained and gravity-fed eye/face washes, laboratory emergency and decontamination multi-spray showers, and portable decontamination equipment, accessories & spare parts.

Test & Measurement — Extech Instruments

Airflow meters, borescopes, cable testers, calibrators, clamp-on meters, electrical testers, gas analyzers/testers, humidity meters, lab instruments, light meters, moisture meters, multi-meters, oscilloscopes, power analyzers, power supplies, pressure meters, refractometers, sound meters, specialty meters, stopwatches/timers/clocks, tachometers/stroboscopes, thermal imaging cameras, thermometers and water quality meters.

Oil Handling — OilSafe

Oil Safe Kits, Stretch Spout Lid, Stumpy Spout Lid, Mini Spout Lid, Utility Lid, standard and premium hand pumps, storage lids, spout extensions, and 3, 5 & 10 quart/litre drums.

Safety Cabinets

Flammable cabinets, drum storage cabinets, paint storage cabinets, pesticide storage cabinets, Hazmat cabinets, corrosive cabinets and emergency preparedness cabinets.

Insulation Safety Equipment — Sofamel

Insulation stools, insulation mats & blankets, insulation dielectric boots, insulation bags & covers, insulation poles, earthing & short-circuit equipment, voltage detectors, rescue panoply and manoeuvring & rescue kits.

Adhesives, Sealants & Tools — Weicon

Two-component adhesives (epoxy resin putty, repair sticks, plastic metal, urethane); one-component adhesives (Plastic-o-Seal, thread sealing cord DF175, rubber-metal adhesives); elastic adhesives/sealants (silicone, Black Seal, Flex 310/310M, Flex+Bond, Fast-Bond, Speed-Flex, Aqua-Flex, Solar-Flex); easy-mix adhesives (Epoxy Minute, Fast Metal Minute, Easy Mix Epoxy, RK-Structural); technical sprays, aerosols, liquids and fluids for cleaning, degreasing, lubrication, release and anti-corrosion coating; high-performance assembly pastes and anti-seize sprays; all-round lubricants and greases; and cable/wire/multi-purpose stripping tools, accessories & spare parts.

Lockout-Tagout & Identification — Brady, Scafftag, Master Lock

Safety management systems and bespoke tagging systems for scaffolding, ladders, confined space, lifting equipment, chemicals and forklifts; identification systems, labels and sleeves for pipes, valves, electrical cables and other applications.

Weld Purge Monitoring — Huntingdon Fusion Techniques

Agweld PurgEye hand-held, dustproof and waterproof weld purge monitors; the Nano Super low-cost weld purge monitor; weld purge units with mechanical gas pumping; the all-in-one computerized colour touch-screen weld purge monitor; and the Mark V Weld system.

Radiation Monitoring — Tracerco

Intrinsically safe radiation NORM monitors, dose rate monitors, potash monitors, personal electronic dosimeters, mud monitors, contamination monitors and X-ray radiation monitors.

Compressors & Breathing Air — Bauer Kompressoren, Mako

Econo Air and Air Charger compressors, breathing air modules (modular and horizontal), Air Center systems, mobile solutions, water-cooled packages, fill stations, air management and electronic/purification monitoring, and mobile/oxygen/stationary containment fill stations.

Material Handling Equipment

Sale, examination and testing of lifting equipment, height safety equipment and accessories, and assembly of wire and chain slings, covering lifting, jacking, winching, materials handling, load restraints and height safety.

Fire Protection — Loyal

Fire extinguishers, fire blankets, hose reels & cabinets, hydrants, fire pumps, extinguishing systems, fire alarm systems, sprinkler systems, foam systems and valves.

Flame Retardant Apparel

100% customized coveralls, winter wear, bib overalls, and hospitality/healthcare FR apparel.
